**What is 'a la carte' pricing and how do I enter?**

To encourage entry of all dogs in your household – young, old and everyone in between – we offer pricing by the run rather than by the package.

All runs that you are paying for (all dogs from your household entered) are totaled to find the 'per run' price. This way that older dog that really enjoys and is still capable of a few tunnelers or weavers runs can enter at the same price as your 'package' dog. Or maybe you have a young dog not quite ready for weaves but can do jumpers, touch and go and tunnelers. Total that dog's runs into your household total and bring the 'per run' cost down. Let everyone in your house that can still safely enjoy the game do just that. This way you don't have to feel guilty about leaving them home!

To enter:

1. Use one entry form per dog.
2. Total the all the runs entered for all dogs.
3. Find the 'per run' price range. Multiply the total runs for all dogs entered, by the price range. This is the total cost of entry.

1-5 runs total = \$12 per run

6-11 runs total = \$11 per run

12 or more runs = \$10 per run

**NOTICE TO EXHIBITORS**

Exhibitors, through submission of entry, acknowledge that they are knowledgeable of NADAC rules and regulations, including but not limited to the following rules regarding entry, and agree to abide by all rules in effect at the time of the trial.

### **Veteran Handler Classes**

Non-Jumping Classes—Veteran or Disabled Handler. Handlers who are 60 years or older, or who have a disability that restricts mobility, may choose to enter the non-jumping classes as a Veteran Handler and receive 10% more standard course time. This option is for Veteran/Disabled handlers in the non-jumping classes only.

The Veteran/Disabled Handler division is designed for handlers who, due to age or impairment, are mobility limited and need extra time to guide their canine partners through an agility course.

When entering as a Veteran/Disabled Handler, you must enter all dogs in all classes for the entire trial in this Division and must jump 4" lower than your Proficient, Standard Division jump height requires. In the non-jumping classes, dogs will be scored and placed with their Standard Division jump height.

**Proficient/Skilled Categories:** Each class will be split into two categories, proficient and skilled. After January 1 2009, dogs in the skilled category MUST jump 4” lower than their Standard, Proficient jump height (NO dog may jump less than 4”). In the regular agility class, dogs entered in the skilled category may incur 5 or fewer faults, and earn a 5 pt qualifying round. In the proficient category a qualifying round must be clean and will earn 10 pts. There is no 5 pt qualifying round in the proficient category.

**IMPORTANT.** Please check your dog's NADAC registration number on your trial confirmation as soon as you receive it; also, please check the copy of the results posted at the trial. You should report any errors to the Trial Secretary immediately.

NADAC records trial results as they are submitted by the host clubs/groups. The individual trial results submitted by the club are uploaded to the files section of the [NADACAgility@yahoo.com](mailto:NADACAgility@yahoo.com) list within two weeks after the NADAC office receives them from the club. The trial results will remain on the list for at least thirty (30) days. Please accept the responsibility to review those results, and check that your registration number and qualifying points, as reported by the club, are correct. You can join the [www.NADACAgility@yahoo.com](http://www.NADACAgility@yahoo.com) list and set your settings to "no mail". You will be able to view trial results and check for any possible discrepancies, without receiving list mail. If you find an error in the reporting of your dog's qualifying points or registration number, please contact the host club. The host club is responsible for correcting any errors and informing NADAC.

**Levels.** Points earned at a higher level of a class, prior to the completion of the lower level title, will not be banked by NADAC for future use. If a dog earns points in a level of a class that they are not eligible to title in, those points will not be added to the dog's records.
